Sustainably Made

Since 2019, we’ve been Climate Neutral Certified, offsetting all scope 1,2 and 3 carbon emissions and reducing our emissions by 50% in the past 3 years.

We have revolutionized the tile manufacturing process by continuing to innovate in-house recycling practices, which allow us to use our own post-industrial water, clay and second quality tile to make new recycled clay. We’re also able to incorporate other manufacturing waste streams such as local granite fines.

We are on track to be a certified Zero Waste manufacturer by the end of 2022 by eliminating single-use plastic from production, reusing 100% of our tile scraps and diverting 90% of our total waste stream.

We’re Proud to Be a B Corp

As the first tile company to be a certified Benefit Corporation, or B Corp, we’re part of a global movement to redefine success in business. By balancing profit with purpose, we seek to achieve higher standards of social and environmental performance, transparency, and accountability.

ENVIRONMENT
Sustainability is in our DNA. On top of making our products to order, we offset 100% of our carbon footprint from our entire operation, including production and shipping. We’re also actively implementing waste diversion programs with the goal of being Zero Waste by the end of 2022.

WORKERS
We are nothing without our Makers. By increasing our starting wage to $17/hr, substantially subsidizing medical insurance and health expenses, providing equity ownership and 401(k) matching, offering 0% interest loans, and more, we’re committed to investing in our people.

COMMUNITY
We can only thrive if our community thrives. Pledging 1% of Fireclay Tile’s equity and product to non-profits, funding extracurricular pursuits for our team members’ families, donating to our local public school, and giving every employee a paid volunteer day are just some of the ways we build shared prosperity for all. Since 2014 we’ve donated over $1.4M to causes in our community.

GOVERNANCE
Corporate governance impacts everyone. By sharing monthly and quarterly financials with all employees and investors, providing company-wide bonus opportunities, and pursuing gender parity in the workplace, Fireclay Tile embodies business as a force for good.

A History of Innovation

We’re scavengers at heart and scrappy when it comes to saving resources. Over the last 30 years we’ve accomplished many feats of innovation, some of which are still in production today. Here are a few of our most memorable milestones.

1988
Fireclay Tile becomes the first tile company to introduce 100% lead-free glazes into their product line.

1998
New raw materials are sourced. Granite dust and glass dust from post-consumer bottles are used in 50% of raw materials in Fireclay Tile’s first recycled tile body.

2010
Partnership with McNear Brick & Block in San Rafael, CA, allows for the introduction of glazed thin Brick, made of 100% reclaimed earth.

2011
Addition of post-consumer porcelain from Northern California water conservation initiatives increases post-consumer content of recycled tile body to over 70%.

2012
Fireclay Tile partners with CalRecycle to develop a process to use Solyndra glass tubes as a raw material for Crush Glass Tile.

2013
Fireclay Tile becomes the only company to recycle panel glass from CRT, the first 1/2" section of optical glass used in older computer monitors and TV sets, to develop our CRT Glass Tile line.

2020
Introducing 25 new colors, Fireclay transitions all ceramic Tile to its Recycled Tile Body. This move advances its efforts toward Zero Waste manufacturing.

Welcome Home

Our tile makes all the difference. Described as the most beloved part of their projects, our products give clients the chance to showcase their one-of-a-kind vision. We’ve even collaborated with the industry’s top tastemakers in designing their own residential installations.
Tile at Work

We’re changing the way businesses design, one tile at a time. Qualifying for a number of LEED credits, our sustainable products can scale for projects of any size at competitive lead times. Recent projects include restaurants, groceries, hospitality, and office spaces.

Ceramic Tile
Now exclusively applied to our durable Recycled Tile Body, our handmade Ceramic Tile offers even more colors, sizes, applications, and endless design possibilities.
Tile

In our efforts toward Zero Waste manufacturing, every ceramic Tile glaze is now applied to our Recycled Tile Body. Featuring 25 new colors, our handmade Tile Collection makes even more room for sustainable design. All glazes will reflect varying degrees of color and size variation—it’s the mark of a truly handcrafted product and makes our Tile authentic and unforgettable.

This Handpainted collection is the joyful result of two teams of craftspeople coming together, each obsessed with process, making products thoughtfully, and investing in their respective communities. We’re both California brands that center creativity, compassion, and beautiful design.
Block Shop x Fireclay Tile Handpainted Collection

Each pattern is available in both 4x4 and 6x6 sizes and three color motifs. 5% of our profits from this collection will be donated to Allies in Arts to support today’s groundbreaking creators.

Four Ways to Play

- **Single Pattern Repeats**
  Use either the Squiggle or Signal pattern to create simple yet dynamic repetitions.

- **Pattern Blocks**
  Our multi-design patterns, Roundabout and Dot Dash, can be sold as blocks of repeating patterns.

- **Alongside Our Field Tile**
  The beauty of this collection is that you can mix in solid fields of color to further complement your design.

- **Go Fully Custom**
  Choose your own colors, dryline, or layout to create a look that’s uniquely yours.

6x12 Tile in Magnetite
ORDERING

**Lead Times**
- Lead times are quoted real time. Please note lead times are best estimates of time to manufacture. They are not guaranteed.
- Order Modifications
  - Because each order is custom made, we cannot change it once it has gone into production. If you do have a change, please contact us immediately to see if we can help resolve the matter quickly. Charges may apply.
- Add-On Orders
  - In the event that you need additional tile, you will have 30 days to request an Add-On from the time you receive your original order. For orders under 25 SF a $100 small batch fee will apply. 
  - To request an Add-On from the time you receive your original order. However, we will do everything we can to make sure your Add-On is within range of your original order. Therefore, we will be required to collect the full balance as soon as you place your order. Because we offer the very best pricing in all situations, our pricing is based off a cash transaction, so additional credit card fees may apply. 
  - If you are a small business and prefer check or e-check on all orders. We created Give, You Get to reward clients who pay by e-check, earning you a 0.5% refund. 
  - For credit card payments, a convenience fee will be applied to your order. 
  - If a volume discount has been applied to your order, we will only accept payment via check or eCheck. If you want to pay with a credit card, a convenience charge will be applied. 
  - If other terms are required please contact your salesperson directly. 
  - Please contact us if you wish to pay by wire.

**SHIPPING**
- Shipping will happen by either package service (UPS) or VIA LTL freight carrier. 
- Shipping estimates will be quoted at the time of order and may be modified if the actual shipping cost varies upon the final shipment. 
- Upon ordering, we will need a ship to address and onsite contact information (name and phone number). We cannot process your order until this information has been provided. Please note Fireclay Tile is not responsible for any delivery fees incurred during the shipping process or additional accessorial charges (liftgate, difficult to reach or restricted areas) not discussed at the time of order.
- Convenient local delivery provided by Fireclay Tile for customers in the South Bay. East Bay, San Francisco, and Marin County. 
- Shipping charges are based on the following:
  - **Weight of Material** 
  - **Destination zip code** 
  - **Address type: Residential or Commercial** 
  - **Liftgate**: Shipping is quoted as curbside on truck unless a liftgate is requested. Additional charges may apply. 
  - **Difficult to reach or restricted areas** 
  - **All commercial orders that require a pallet will be charged a fee of $12/pallet**

**Returns**
Because every product is custom made, we cannot allow returns. However, if you are unhappy with your selection and it has not yet been installed, we can offer you up to 50% off a different item. Our philosophy is simple—if you are not happy with the product, we will work with you until you are.

**PAYMENT METHODS**

**Payment**
We accept all forms of payment including check, e-check, or credit card (Visa, Mastercard, American Express, or Discover). Because every product is custom made and we adhere to aggressive lead times, production will begin as soon as you place your order. Therefore, we will be required to collect the full balance as soon as you place your order. Because we offer the very best pricing in all situations, our pricing is based off a cash transaction, so additional credit card fees may apply.

**PAYMENT METHODS**

**Other Options/Fees**

| Small Batch Fee | $100 small batch fee if under 25 SF |
| Patine Finish   | $75F upcharge |
| Rush Fee        | Available for different expedited options |
| Custom Colors   | • $750 set-up fee (includes one round of feedback) 
                  • Add 30% to SF price; requires 250 SF minimum |
